In the Summer Time All Women Are Young and Interested in Clothes

There are many kinds of summer, in summer time. One is the kind that shows in a woman's step; another is the spirit she feels bubbling up in her heart.

If she is young, she knows it to her fingertips.

If she is ageing, she doesn't believe it.

And young or old she bethinks her of fine clothes. Where a month or two ago she would not have turned her head to see the smartest clothing in creation, today she will cross the street to view with critical and covetous eye the good looking suits, a distinguished top coat, a display of beautiful blousings and sweaters.

Wherefore, she will be mightily interested to know that the most satisfying showing of these things in Clarksburg is in the

Our 'Round Ticket' Stockings Are Black As Black Can Be

Some blacks are blacker than others, you know.

It was the absolute, unvarying solid, permanence of the Gordon dye that first caused us to bring them to Clarksburg.

Round Ticket stockings is all silk in the essential parts, with a four-thread heel and toe, and silk and lisle mixture top. So good are they that the makers advised us to give a new pair free where the heel and toes do not give reasonable satisfaction.

The Season of House-cleaning Needs Its Own Rugs

It is not fitting that a house should wear for the summer, the same warm, thick floor coverings that it does for the rest of the year.

Particularly, the living room and bedroom. In the days of open windows, it is pleasant to walk on rugs that seem to spring from nature.

Bright-colored rag rugs, some with floral and Chintz borders.

Fibre and grass rugs with their out-door atmosphere and often gay designs; cool, clean matting from China and Japan; these are the floor coverings that people are buying now for rooms and porches of their homes.

We have them here in great variety: Rag rugs, in our famous Dresden patterns, \$1.75; for size 27 inches by 72 inches up to \$2.00 for 3x6 ft. dimension.
